Hi Kelly. I couldn't find any previous to the 10/13/17 e-mail you sent me in regards to developing the table to track the notifications. You forwarded me all of the notifications after that, and you may have forwarded me the ones before that as well, but I can't find them. If you need the specific notifications, I will go into the table tomorrow and get the New Source #s for you to refine your search. Thanks Kelly.

Hi Bethany. I can't find them on my computer. I'm pretty sure Kelly probably kept all of the e-mail notifications from the state, and will ask her to check. She had received some email notifications prior to my

involvement and I'm not sure if I have those. Or I inadvertently deleted some along the line. Regardless, I received all the ones I have from Kelly so as I said, she probably has a record of all the notifications.

Thank you, Scott!

When you say you couldn't find all of the PADEP notifications, do you mean that someone else (Kelly?) should have a copy of the notifications, or that the notifications were conveyed via phone or some other method such that we don't have physical records?

Hi Peter, Bethany. Hope all is well. I sent this out this morning and all were OK with it. I just need to scan HCPs attachments to their response as indicated below, and will forward those to you asap. Let me know if you have questions or need additional information. regards
